

Lunch Discussion Tables for Students and Post-doctoral Scholars!

Location: Squires (Various Rooms)

Pick up your boxed lunch at Squires Atrium to enjoy at these discussion tables.

The Education and Career Development Committee is excited to host a series of discussion tables during the ASV 2016 meeting! During the lunch break on Sunday, Monday and Tuesday, a number of plenary speakers will host discussion tables, providing a unique opportunity for *pre-registered* students and post-doctoral scholars to interact with these outstanding scientists. In addition, each day discussion tables on topics of interest to students and post-docs will also be hosted by experts in those areas, providing insight into career choices and career development.
